

## Penis et Circes

### Impaled Nazarene

Penis et circes  
Dominate the weaklings  
Ecstatic whippings  
Iron and chains  
Branding the slaves  
Mastering the games  
chorus: Hail Satan, master, weeping christians burn at stake  
Penis et circes  
Boiling oil fetish  
Lion raped victims  
Screaming for God  
Divine intervention  
Ain't fucking coming  
repeat chorus  
Penis et circes  
Killing the weaklings  
Volcanic beatings  
Meaningless lives  
About to end  
Stone them to death!  
repeat chorus  
(Music: Lehtosaari  
Lyrix: Luttinen)
