

Penis et Circes

Impaled Nazarene

Penis et circes
Dominate the weaklings
Ecstatic whippings
Iron and chains
Branding the slaves
Mastering the games
chorus: Hail Satan, master, weeping christians burn at stake
Penis et circes
Boiling oil fetish
Lion raped victims
Screaming for God
Divine intervention
Ain't fucking coming
repeat chorus
Penis et circes
Killing the weaklings
Volcanic beatings
Meaningless lives
About to end
Stone them to death!
repeat chorus
