

## Sadhu Satana

## Impaled Nazarene

Deadblow overrule the shadows  
Masters, spirits, painfuck  
Jesus & the scum blown away  
Lord and master of hell

[chorus:]  
Sadhu Satana

Slaughtered, burned, raped  
Satanic N.M. takes over  
The law is set by chaosgoat  
You obey, you slaves, you die !

[repeat chorus]

Cunt !

[repeat chorus]

SS control...SS control, SS control...

[repeat chorus]

Flames, blood, damnation  
Suffer and bleed for majesty  
Satan, master, Lucifer  
Majesty of infernal hellkill

[repeat chorus]
