

The Antichrist Files

Impaled Nazarene

Time has come for blackened sun
To freeze the world under its wings
Shiver in fear as world around you
Changes into unknown doom

Pledge your allegiance for Satan
Crawl in front of Satan
Pledge your allegiance for Satan
Armageddon Time - The Antichrist Files

World drowns on its own urine
As darkness eats you alive
Seeds of hate sown to the core
Armageddon now death so close

Pledge your allegiance for Satan
Crawl in front of Satan
Pledge your allegiance for Satan
Armageddon Time - The Antichrist Files
