

## Vigorous and Liberating Death

Impaled Nazarene

I am the dark shadow their fear  
The terror in their innocent eyes  
I am the reek of overpowering death  
The nauseating stench of rotten  
I am the chilling shriek they hear  
The reason why they tear off ears  
I am the mirror to your soul  
I am why you blind your eyes

Vigorous  
Vicious  
Vile

I am the bringer of black plague  
The horror in darkened skies  
I am why vermins crawl  
Why pitch black oceans storm  
I am the reason behind rotten harvest  
Why earth grows no more food  
You are the reason why I am here  
I am hate, revenge and death

Vigorous  
Venomous  
Violent

Vigorous  
Liberating  
Entertaining
