

# Domination Of Suffering Souls

## Impending Doom

Open the Gates of Hell

By the Moonlight they come crawling  
From deeper than Depths  
From Subordinate to Domination

Domination of suffering Souls  
Domination of suffering Souls  
Domination of suffering Souls  
Domination of suffering Souls

Oh Lord of Darkness  
Please let me sleep  
My Way was far & evil  
Show me the Way  
To the blessed Insanity  
Before the Dawn
