

For the Wicked

Impending Doom

The mark of the Beast!

Hate me, like he told me I would be
Kill me, like he told me I would be

Anti-Christian un-american
You pledge your allegiance to the fallen
Failure in the flesh,
crawling to your grave
Hopeless and godless,
eternally you lay

Have we gone too far?
Have we gone too far?

This is the end of life as you know it
This is accepted, is there no turning back?

Giving birth to evil,
from the womb of hell
Giving birth to evil,
from the womb of hell

No peace for the wicked
No peace for the wicked

Beware the mark of the Beast
Beware the mark of the Beast

Rotting from the inside out,
destroying our bodies with the filth of the world
Creating a wretched spawn of existence
Giving birth to evil

Have we gone too far
Have we gone too far

This is the end of life as you know it
This is accepted, is there no turning back

Hate me
Kill me

Take the number you've chosen
666 is one with the fallen
Take the number you've chosen
666 is one with the fallen
Take the number you've chosen
666 is one with the fallen
Take the number you've chosen
666 is one with the fallen
