

Left Behind

Impending Doom

Father, God,
I am just a sinner, God.
I am nothing without you.
Give me strength, Lord;
Give me courage to stand boldly on your word,
against this world father.
This world that I don't wanna be a part of
Because it is not of you, precious Jesus.
I pray for people I don't know feel your presence or your love,
God.
Free us from this place
and may your Holy spirit flourish.
God, I ask that you rebuke these demons
only by your Holy, precious name: Jesus Christ.
Come back for us, Lord.
I wanna see you.
Amen.
