

# Ravenous Disease

## Impending Doom

Sell your soul  
Sell your soul  
He will swallow it whole  
Sell your soul  
Sell your soul  
He will swallow your soul

Betrayer  
Betrayer  
Blind to faith blinding followers  
Spreading deception like a plague through their veins  
Pumping hell in their hearts  
Betrayed by the father

Ravenous disease  
Man is the carrier  
A broken moral compass  
Charting the course for generations of sorrow  
A life void of substance  
A future so bleak we look ahead with horror

Horror

Fallen from Grace  
Deeper we sink  
A great pit within the earth  
Swallowing the weak

Whispers of demons  
Ringing in the ears of the crowd  
Impressionable youth  
Sing every word  
Spewing from their wretched mouths

A broken moral compass  
Charting the course for generations of sorrow  
A life void of substance  
A future so bleak we look ahead with horror

Horror

Ravenous disease  
Man is the carrier  
Ravenous disease  
Man is the carrier

Sell your soul  
Sell your soul  
He will swallow your soul  
Sell your soul  
He will swallow your soul

There will be hell to pay

Fallen from Grace  
Deeper we sink  
Fallen from Grace

Deeper we sink
