

Torn Down

Imperative Reaction

Maybe it's too much
For you to feel it
Maybe it's too loud
For you to hear it
Maybe you're too proud
To really see it
Your time has come
I think you know it
What if what they say
Is true
What if they can see
Right through
Everything you built
To hide
What you really are
Inside
Maybe it's better
Keep building up
Maybe it's better
But your lies are not enough

Torn down
Your mask made of rust
Torn down
Your image lies in dust
Torn down
Ego fades away
Torn down
Your lies on display
