Hold On

Imperia

I know you're going through a rought time Don't be afraid, I've been there too I can't tell you what to do, but after all I will be right behind you to catch you if you fall

Hold on, hold on Life is a gift, don't you dare to throw it away

If you could see yourself from my eyes That would a smile upon your face You would feel strong enough to make it through And you would walk on with your head held high

Hold on, hold on Life is a gift, don't you dare to throw it away
