

# The Ancient Dance Of Qetesh

Imperia

Wish there were another world to choose  
Wish all hatred could just disappear  
Wish the shade that covers my hopes  
Would not be there

The dance of Qetesh  
Moves like a snake  
The dance of Qetesh

Wish the stars showed me the way  
Wish my destiny's gateway were lighter  
So I could see more clear  
I'm dancing the dance of Qetesh

The dance of Qetesh  
Moves like a snake  
The dance of Qetesh
