

Captain

Imperial Teen

A boy and his guitar
A borrowed coat and tie
No smoking in the house
Radio the bar

Oh, the possibility
Of us making history
And I wanna stay close

Singing in the round (Singing in the round)
The taming of the crew (Taming of the crew)
Not a thing to wear (Not a thing to wear)
To the only game in town

Let the captain choose the teams
I'm not as worried as I seem
And I wanna stay close
So that nobody knows
And I wanna stay close
So that nobody knows

Oh, the possibility
Of us making history
Let the captain choose the teams
I'm not as worried as I seem
And I wanna stay close
So that nobody knows
And I wanna stay close
So that nobody knows
And I wanna stay close
So that nobody knows
And I wanna stay close
And I wanna stay close
