

## Eternity

Imperial Teen

(my overdrive did an overdrive right?  
Maybe i should close the curtains  
Or, no  
1-2-3-4...)

What are we supposed to be?  
Let's watch our friends they're on TV  
freeze the frosting on the girlie magazines

For (etern-etern-etern-) eternity  
And (you turn, you turn, you turn,)  
You turn to me...
