

Open Season

Imperial Teen

One of us
Faking Victorian
What a fuss
A picture of Dorian

Follow a trail
Corrupt the au pair
A lesson in lust
The prince lost his hair

Bathing words
With mock hysteria
Stuffing birds
A case of malaria

Preparing your face
For crying on cue
You're painting your nails
While eating for two

Follow the trail
Corrupt the au pair
A lesson in lust
The prince lost his hair
Light red
