

The First

Imperial Teen

The first
Is the best
And the best
Is a curse
The taste
Of the last
Is sour
But it's blessed
Yes, it's blessed
It's the best that you did
It's the best that you did
It's the best that you did
It's the best that you did
The taste
Of the past
Is a curse
That will last
And the best
When it's blessed
Is a curse
It's a curse
Such a curse
It's the best that you did
It's the best that you did
It's the best that you did
It's the best that you did
It's the best that you did
It's the best that you did
It's the best that you did
It's the best, it's the best, it's the best, it's the best, it'
s the best
The best
Is a curse
The best
Is a curse
The best
Is a curse
The best
Is a curse
The best
Is a curse
The best
