

Tippy Tap

Imperial Teen

I've got a can of shit
Can you open it?
I always make my bed
Please pick on her instead

This fishbowl does not hold
The killer whale in tow
My dad's a lot of fun
My dad he has a gun

Hands up
Lay down
Don't cry
Stick a needle in your eye

I left it all behind
Now you own what's mine
That's something that i lack
I think i want it back

Hands up
Lay down
Don't cry
I'm the only reason why...
