## Imperial Teen

I've got a can of shit  
Can you open it?  
I always make my bed  
Please pick on her instead

This fishbowl does not hold  
The killer whale in tow  
My dad's a lot of fun  
My dad he has a gun

Hands up  
Lay down  
Don't cry  
Stick a needle in your eye

I left it all behind  
Now you own what's mine  
That's something that i lack  
I think i want it back

Hands up  
Lay down  
Don't cry  
I'm the only reason why...
