

The darkness  
The sea  
The love  
Atlantis

Atlantis

Feeling water falls  
Come down on me  
Love in the waves  
So deep and free

It's a world of love  
Your love to me  
Back to this world  
Deep like the sea

The darkness  
The sea  
The love  
Atlantis

Atlantis

It's a world of love  
Your love to me  
Back to this world  
Deep like the sea

Come down on me  
Love in the waves  
So deep and free
