

Never Go Away

Imperio

Don't do away from me tonight
I need you
Don't do away just hold me tight
My love

Never go, please never go away
From my life
Never go, please never fade away
From me

Don't do away from me tonight
I need you
Don't do away just hold me tight
My love

Never go, please never go away
From my life
Never go, please never fade away
From me

Uuh Uuh Uuh
Aah aah aah
