## **Never Go Away**

Don't do away from me tonight I need you Don't do away just hold me tight My love Never go, please never go away From my life Never go, please never fade away From me Don't do away from me tonight I need you Don't do away just hold me tight My love Never go, please never go away

From my life Never go, please never fade away From me

Uuh Uuh Uuh<br/>
Aah aah aah

Imperio
