

Quo Vadis

Imperio

Quo vadis
Quo vadis
Ah ah ah ah

Yeah yeah

I've got to know the way
I've got a price to pay
I've got to know the way tonight
I've to take control
I've got to search my soul
I've got to make this right tonight

Break this beat
Break this beat
Break this beat
Dance off your feet
Break this beat
Break this beat
Break this beat
Dance off your feet

Yeah yeah

Quo vadis
Ah ah ah ah
