

Wings of Love

Imperio

On the wings of love
We fly
With the rainbow in the sky
On the wings of love
I'm saving all my dreams for you oh

On the the wings of love
We fly
To another world so high
On the wings of love
You're taking all my heart to you oh

On the wings of love

Óh ooh oh
Óh ooh oh

Saving all my love for you oh

Take my hand
Let to see another world
Come wonderland
Dream this dream
Everlasting pictures
of your fantasy
