It's been a couple of days my phone still ain't ringing
This whole shitty situation is getting my mood swingin
Flashback to the day when this whole world moved
Then them rain drops started falling down on my shoes
Why did you push me away huh
That's what I'm thinking ma
4 in the afternoon I'm already drinking hard
I try blocking my thoughts with every sip I'm taking
This situation was a heart breaking in the making

Tere Pachu Rahna Hun Hoya Ae Muhaal Ni
Apne Diwana Da Tu Karle Khyal Ni
