

# I Will Never Lie Again

IMx

Friends come a dime a dozen?

Ooooooh

And I know that I'll never find a friend like you

Oooooooh

And that's why I wanna sing this song..wherever you are

Oooo never

I will never lie again

And I just wanna let you know that I will never lie to you again

Ooooh

I will never lie again

I promise...

I will never lie again (oooooh oohh yeah)

Cause you'll always be my friend (you'll will always be)

I will never lie again (I will never lie)

Cause a friend like you can last forever

I'm sitting in my window

I'm thinking of you

And all the fun things we used to do

I feel the pain, please come back to me

Cause a friend like you will only come once in a lifetime

I will never lie again (I will never lie again ooh)

Cause you'll always be my friend (you'll always be my friend)

I will never lie again (I will never I will never lie)

Cause a friend like you can last forever (last forever)

On the phone, when you were here

Laughing and joking, crying and soaking

In my dreams you're still with me

Cause a friend like you will only come once in a lifetime

I will never lie again (I will never lie)

Cause you'll always be my friend (you will always be my friend)

I will never lie again (I will never never lie)

Cause a friend like you can last forever (last forever)

When I think of you I think of someone special

And how it used to be

You'll always be my friend

Im so sad (so sad so sad) it had to end (ohh yea baby)

I will never lie again (I don't wanna lie to you girl)

Cause you'll always be my friend (come back to me come back I love you)

I will never lie again (I don't wanna lie)

Cause a friend like you can last forever (a friend like you can last forever)
