

# Stay The Night

IMx

Ooh ooh baby  
Immature's back, back, back  
Ooh ooh baby baby, ooh ooh baby  
Romeo, LBD and Bat  
You wanna get with me tonight  
Ooh

Baby, tryin' me, givin' me... all your love  
I will never do you wrong  
Baby, won't you let down your guard  
Then maybe, we can go real far

Ooh ooh baby  
Say you wanna stay the night  
You know you got a brother high  
I'll come and pick you up in my ride  
Ooh ooh baby baby  
Ooh ooh baby  
Say you wanna stay the night  
You wanna get with me tonight  
I'll come and pick you up in my ride  
Ooh ooh baby baby

Baby, I'll be there to get you, around one  
So we can go chill and have some fun  
Baby, let's cuddle, 'til the sun comes up

And baby, you know that I love you so much

Ooh ooh baby  
Say you wanna stay the night  
You know you got a brother high  
I'll come and pick you up in my ride  
Ooh ooh baby baby  
Ooh ooh baby  
Say you wanna stay the night  
You wanna get with me tonight  
I'll come and pick you up in my ride  
Ooh ooh baby baby

One, two, three, get down like that  
You didn't know? Well understand  
We can move from the front to the back  
Watch me make you feel like that  
Make the moves, you don't like the rules  
Take no fools, if that's cool  
Romeo, I never lose  
With the girls I choose

Immature's back back back  
Throw your hands in the sky  
Do you think we're tight?  
Hey ladies  
Do you think we're...  
Immature's back, back, back  
Throw your hands in the sky  
Hey girls

Do you think we're tight?  
Oh baby

Ooh ooh baby  
Say you wanna stay the night  
You know you got a brother high  
I'll come and pick you up in my ride  
Ooh ooh baby baby  
Ooh ooh baby  
Say you wanna stay the night  
You wanna get with me tonight  
I'll come and pick you up in my ride  
Ooh ooh baby baby
