

# Crawl Through Knives

## In Flames

The black hole forever mine.  
I need fear.  
Push me out  
Oh be brave  
Show me signs  
Should I feel shame for the questions that I have

If you could be  
The things I need.  
I'll crawl through knives  
An inch per tear.

These knees, they bleed for you.  
Let the colour persuade the hate  
That you fear.

Feed the lie.  
Force the reason.  
Leave me in doubt.  
Need some motivation

It's in my hands.  
The sky is so bright.  
It's burning.  
It's for me to decide.  
If flames will reach heaven tonight.  
It's in my hands.

Nailed to the floor  
Paralyzed  
Emotions drifting  
Touch the new

If you could be  
The things I need.  
I'll crawl through knives  
An inch per tear.

These knees, they bleed for you.  
Let the colour persuade the hate  
That you fear.
