

# Embody the Invisible

In Flames

I demand nothing, but I want it all  
what privilege do we have under the sun,  
that gives us the right to the throne?

species come and go,  
but the earth stands forever fast  
all river runs towards the sea,  
but the sea is never full

to discover the loneliness  
and be too proud to show the wounds  
will forever wander alone through the years

but I won't let you near  
Begging, begging for you to understand  
the fear that lives in my soul of another

read, what is written on the silent mouth  
what is written in the soul  
for which is written in the shining silence  
we all have to  
read, what is written on the silent mouth  
what is written in the soul  
for which is written in the shining silence  
we all have to read

My body will be bent from the burdens  
when the shaking floor of life-force  
reveal its chasm underneath  
if only one could be two steps ahead

to discover the loneliness  
and be too proud to show the wounds  
will forever wander alone through the years

but I won't let you near  
Begging, begging for you to understand  
the fear that lives in my soul of another

read, what is written on the silent mouth  
what is written in the soul  
for which is written in the shining silence  
we all have to  
read, what is written on the silent mouth  
what is written in the soul  
for which is written in the shining silence  
we all have to
