

# My Sweet Shadow

## In Flames

I'm selling heavenly sketches  
A world out of my mind  
Ready to explode in purity  
To fill the holes inside

An ever moving stream  
With glowing rays of light  
Emotions tied to past lies  
And I know I should let go

Tamed with confidence of brighter future

I found a flame in the burnt out ashes... burn out, burn out

Fueled these new shores burn  
Dark past lies cold  
Shadow, my sweet shadow  
To you I look no more

Another dawn collapses  
Do I need to be reminded?  
A glimpse of my safe home  
A path to hide all anger

I found a flame in the burnt out ashes... burn out, burn out

Fueled these new shores burn  
Dark past lies cold  
Shadow, my sweet shadow  
To you I look no more

In circles I catch  
A torch carried by the immortal  
From depths that I created  
In vain echoes fade

Burn out

Fueled these new shores burn  
Dark past lies cold  
Shadow, my sweet shadow  
To you I look no more.

Fueled these new shores burn  
Dark past lies cold  
Shadow, my sweet shadow  
To you I look no more.
