

It Seems Lost

In Strict Confidence

Do you want to feel how it feels
Do you want to know how it hurts
Do you want to see what I see
Just a black and white picture:
You without me

A book filled with missing moments
A diary it is
Each page captured the day
Each word a reason to pray

Do you want to feel how it feels
Do you want to know how it hurts
Do you want to see what I see
Just a black and white picture:
You without me
It seems lost...

Fragile, this moment has been
I caress the skin with my hand
We seemed strong enough
Strong enough to understand

Do you want to feel how it feels
Do you want to know how it hurts
Do you want to see what I see
Just a black and white picture:
You without me
It seems lost...
