

# Prisoner

In Strict Confidence

Imagine you are locked up  
In a cold black room  
Imagine you are jammed  
Between right and wrong  
Imagine there's no way out  
The vicious circle keeps on turning  
The executioner keeps on smiling  
See yourself in his position

This is the prisoner  
This is the person unknown  
This is pretending not to hear  
This is pretending to listen

The man is getting nervous  
He seems to be right  
But the vicious circle keeps on turning  
And he's not strong enough  
The man is getting insane  
No matter right or wrong  
Sometime there's revenge  
And the vicious circle keeps on turning

This is the prisoner  
This is the person unknown  
This is pretending not to hear  
This is pretending to listen
