

Snowwhite

In Strict Confidence

Once upon a time a queen
Sits sewing in the night
One black candle by the cradle
Is her only light

She pricks her finger on a needle
By the window's site
A dark drop of blood is falling
In the snow so white

Mirror, mirror on the wall
Who is the fairest of them all?
It's Snow White on my plate
Dancing with my razor blade

Mirror, mirror on the wall
Who is the fairest of them all?
Who is pleasing me tonight?
Angel dust or homicide

Mistress of the magic mirror
White as snow and black as sin
I adore the bloody snowflakes
Melting on your mable skin

And in her hand the golden apple
From a stranger at the door.
Angels sighing – she is lying
Stretched out on the freezing floor.

And in her hand the golden apple
From a stranger at the door.
Angels sighing – she is lying
Stretched out on the freezing floor.

Mirror, mirror on the wall,
Who is the fairest of them all?
It's Snow White on my plate,
Dancing with the razor blade.

Mirror, mirror on the wall
Who is the fairest of them all?
Who is pleasing me tonight,
Angel dust or homicide?

Mirror, mirror on the wall
Mirror, mirror on the wall

Mirror, mirror on the wall
Mirror, mirror on the wall

Mirror, mirror on the wall
Who is the fairest of them all?
It's Snow White on my plate
dancing with my razor blade

Mirror mirror on the wall

Who is the fairest of them all?
It's Snow White on my plate
Dancing with my razor blade

Mirror mirror on the wall,
Who is the fairest of them all?
Who is pleasing me tonight?
Angel dust or homicide?

Mirror mirror on the wall....
