

# Diabolical Dick Shrinking Mother Fuckers

In The Eyes Of a Mistress

Call it karma, call it what you will  
It never meant the same to me  
And every time I drink like this  
I can't remember anything  
Come on, come on, black out with me  
And I have been here before  
Too many times to count  
Drinking to the point of where I fucking black out  
Got drunk, Blacked out, passed out  
Let's do it all again tonight  
The clouds in the sky, suck my dick  
This bitch ain't worth my fucking time  
Can you understand the words coming out of my mouth  
Hey girl! Hi, how are ya  
Let's hop into my car and  
I'll take you out for a drink, then home with me  
What do you think  
Get fucked up  
Bang your mother fucking heads  
And let's have some fucking fun  
Show me what the fuck you're fighting for tonight  
And stomp this god damned dance floor  
Bang your heads and dance  
Like you can't stop, let's move  
Girl, I have to tell you tomorrow  
Tomorrow I won't remember your name  
I swear it's not you. It's me  
I can't help but take advantage of these situations  
If you wanna have some fucking fun  
Then throw those fists and stomp the ground
