

# It's Like Killing A Unicorn With, Like, A Bomb

In The Eyes Of a Mistress

We're all here, let's drink until the beer is gone  
Come on let's have some fun  
Yeah, this party's number one  
I'm looking for a girl to...  
We'll drink beers and smoke until the cops come  
I'm looking for two girls  
Mñnage a trois what's on my mind  
Don't go thinking that you're special  
You're just like the rest  
This band will eat you all alive  
We got game like they've never seen  
And we will do whatever it takes  
To get exactly what we want  
Has anybody ever told you  
That you have really beautiful eyes  
That's right, December 31st 1999  
Y2K could be any day  
So fuck it all, let's burn the whole world down tonight  
It's Friday night and I'm all like  
Welcome to the party, it's time to have some fun  
So grab a couple drinks  
Come inside and try to fuck someone  
The girls are all single and the guys are all hung  
It's the making of a orgy, all that's left to do is come  
I'm done  
If this is all I'm living for, I hope I live forever  
This would be heaven for Hugh Hefner but better  
Better, better, oh!  
So won't you come inside  
It's been an awfully exhausting week  
I think I'll have a few drinks  
To take the edge off the night  
And get me feeling just right  
Welcome to the party, we're here to have some fun  
Come inside, we'll show you how it's done  
Excitement is high, the girls are all down
