Omnio pre

In The Woods...

These eyes, do you hide behind these cold blue eyes? I know I want to know The light, driven by the pale blue skies I go where to go Despised, and driven by these echoed eyes I know where to go A sign, written by these tear stained eyes I qo do qo blurred were my eyelines, hindering... -to touch omnio so let me belong, eat me raw, stick me empty with your hungry claws-bring me light can you feel the tension? set me free from this sleep, Lyrics www.allthelyrics.com/lyrics/in_the_woods/ leave me be to judge my own creation-bring me love and as I burned my fragile skin -touched omnio All this can not go on anymore, these thorns they tear me to pieces The sign is given your sign is given I am illusioned feed my lust and hunger-my addiction the thought of a naked appearance facing the rest of the world, left me in chaos-a prey without a common address drowning in salt water- can do nothing at all I am left here begging for mercy... In this room; when I found images of poetry; I lost my deed, my shelter and my pain did they leave you unstained? you may swallow all my precious lies you may stay and you may follow me further down the thin and crumbling line I bleed for my loss and hunger -my addiction though the thought of a naked appearance leave in me the wonders and words Can burdens relieve me from slumber in unpleasant worlds? Can the essence of bone regard me

re-birth?
