

White Rabbit

In The Woods...

One pill makes you larger
And one pill makes you small
And the ones that mother gives you
Don't do anything at all

Go Ask Alice
When she's ten feet tall

And if you go chasing rabbits
And you know you're going to fall,
Tell 'em a hookah smoking caterpillar
Has given you the call.

Call Alice
When she was just small

When the mes on the chessboard
Get up and tell you where to go
And you've ejust had some kind of mushroom
And your mind is moving low

Go ask Alice
I think she'll know

When logic and proportion
Have fallen sloppy dead
And the White Knight is talking backwards
And the Red Queen's "off with her head!"
Remember what the doormouse said:
"Feed your head. Feed your head. Feed your head"
