

11:11

In This Moment

Baby, baby, baby, baby, baby
It's been a long, long road
It's been a long, long dream
Baby, baby, baby, baby, baby
God knows I gave them hell
God knows I tried

But at least I can say
At least I can say I loved
But at least I can say
But at least I can say I lived
When I lay down and die,
At least I can say I lived

Baby, baby, baby, baby, baby
There's not a thing I would change
My heart stayed in the flames
Baby, baby, baby, baby, baby
It's been a beautiful tragedy

But at least I can say
At least I can say I loved
But at least I can say
But at least I can say I lived
When I lay down and die,
At least I can say I lived
