

## All for You

### In This Moment

The seasons come and go  
Another night another show  
I step into the lights  
Knowing we will be alright

Even when I'm far  
You know I'm always there with you  
And through this all

You know that you're the reason  
In everything I do  
It's all for you  
You know that you're my reason in life  
It's all for you

These faces come and go  
And all I do is think of you  
I'm on the long road home  
The road that leads me straight to you

I know it's hard  
I promise you we'll be alright  
And through this all

You know that you're the reason  
In everything I do  
It's all for you  
You know that you're my reason in life  
It's all for you
