

## Call Me

### In This Moment

Color me your color baby, color me your car  
Color me your color darling, I know who you are  
Come up off your color chart  
I know where you're coming from

Call me on the line  
Call me, call me any, any anytime  
Call me my love  
You can call me any day or night  
Call me

Cover me with kisses baby, cover me with love  
Roll me in designer sheets, I'll never get enough  
Emotions come, I don't know why  
Cover up love's alibi

Call me on the line  
Call me, call me any, any anytime  
Call me my love  
You can call me any day or night  
Call me

Aah, he speaks the languages of love  
Aah, amore chiamami  
Ooh, appelle-moi mon cherie  
Anytime, anyplace, anywhere, anyway  
Anytime, anyplace, anywhere, any day

Call me my love  
Call me, call me any, any anytime  
Call me for a ride  
Call me, call me for some overtime

Call me in my life  
Call me, call me in a sweet design  
Call me, call me for your lover's, lover's alibi  
Call me, call me, call me

Color me your color baby, color me your car  
Color me your color darling, I know who you are  
Come up off your color chart
