

Joan of Arc

In This Moment

Who are you to even think you know the difference between good and evil

You keep pushing me, right to the edge
You are sanctified, oh, and I'm just a man
See, you blame me, you blame me for everything you hate
And you wage your wars
No matter what I give, you'll always take

[Chorus:]

You can crucify
You can nail me to your cross
(Like me, oh, like me, oh)
You can find me guilty for everything you've lost
(Like me, oh, like me, oh)
Go ahead and blame me for your sins
Go ahead and sacrifice me
I'll be your martyr
I'll be your Joan of
I'll be your Joan of Arc

You want to satisfy your man
And you want to touch my face
With your dirty hands
Well, you blame me for
You blame me for the madness you create
And I wage my wars
Cause either way you'll put me at the stake

You can crucify
You can nail me to your cross
(Like me, oh, like me, oh)
You can find me guilty for everything you've lost
(Like me, oh, like me, oh)
Go ahead and blame me for your sins
Go ahead and sacrifice me
I'll be your martyr
I'll be your Joan of
I'll be your Joan of Arc

Who are you to even think you know the difference between good and evil, until the everlasting fire prepared for the devil and angels
What? What do you want from me?
Nothing. I am here to see you free

I have the need for your sins
Go ahead and sacrifice me
I have the need for your sins
Go ahead and sacrifice me (sacrifice me)

You can crucify
You can nail me to your cross
(Like me, oh, like me, oh)
You can find me guilty for everything you've lost
(Like me, oh, like me, oh)
Go ahead and blame me for your sins
Go ahead and sacrifice me
I'll be your martyr

I'll be your Joan of
I'll be your Joan of Arc
