

# Whore

## In This Moment

I'm the girl you've been thinking about  
The one thing you can't live without  
Yeah, I'm the girl you've been waiting for  
I'll have you down on your knees  
I'll have you begging for more

You probably thought I wouldn't get this far  
You thought I'd end up in the back of a car  
You probably thought that I'd never escape  
I'd be a rat in a cage, I'd be a slave to this place

You don't know how hard I fought to survive  
Waking up all alone when I was left to die  
And you don't know about this life I've lived  
Or these roads I've walked  
Or these tears I've bled

So how can this be?  
You're praying to me  
There's a look in your eyes  
I know just what that means  
I can be, I can be your everything...

I can be your whore  
I am the dark you created  
I am the sinner  
I am your whore  
But let me tell you something baby  
You love me for everything you hate me for

I'm the one that you need and fear  
Now that you heard this I'll be coming clear  
That higher judgement that you placed on me is a  
reflection of the stuff I write

So maybe next time when you cast your stones  
From the shadows and the dark unknown  
You will crawl out of your hiding place

Take a look in the mirror and see the truth on your  
face

So how can this be?  
You're praying to me  
There's a look in your eyes  
I know just what that means  
I can be, I can be your everything...

I can be your whore  
I am the dark you created  
I am the sinner  
I am your whore  
But let me tell you something baby  
You love me for everything you hate me for

Woahh, Woahh, Woahh, Woahh

I am the dark you created  
I am the sinner  
I am your whore  
But let me tell you something baby  
You love me  
You want me  
You need me

I can be your whore  
I am the dark you created  
I am the sinner  
I am your whore  
But let me tell you something baby  
You love me for everything you hate me for

I can be your whore  
I can be your whore  
I can be your whore

But let me tell you something baby  
You love me for everything you hate me for  
You love me for everything you hate me for
