

# Masochism And The Pursuit Of Perfection

In Virtue

Sowing seeds of doubt  
Growing into evil  
Chaos or perfection?  
Destiny or free will?

Daughters of job  
Lost in the ether  
Children of logic  
Black holes of reason  
Slow burning countdown  
Stalled evolution  
To our extinction?  
To our awakening

Is this why we're here?  
Carrying this burden  
Will it bring us peace  
Challenging our maker?
