

# Crazy For You

Incognito

Moments like this  
You`re holding me down  
There`s no place to hide  
When you`re love comes calling

Oh, (You`ve) given me a love so strong  
I want it to last forever

Chorus:

I`m crazy for you  
The things that you do  
I can`t stop thinking of you  
I`m crazy for you  
The things that you do  
I can`t stop thinking of you

I follow your star  
Wherever you are  
(Always)  
Oh, you`re my one and only love  
Oh, my fantasy

Oh, (You`ve) given me a love so strong  
I want it to last forever

Chorus

Repeat (Fade)
