

I Can See The Future

Incognito

I can see the future
Step into tomorrow
I can see the future
Journey to forever
I can see the future
Step into tomorrow
I can see the future
Journey to forever
Movin' on
And we're movin' on
I can see the future
Step into tomorrow
I can see the future
Journey to forever
I can see the future
Step into tomorrow
I can see the future
Journey to forever
Movin' on
And we're movin' on
Movin' on
And we're movin' on
