Incognito

I can see the future  
Step into tomorrow  
I can see the future  
Journey to forever  
I can see the future  
Step into tomorrow  
I can see the future  
Journey to forever  
Movin' on  
And we're movin' on  
I can see the future  
Step into tomorrow  
I can see the future  
Journey to forever  
I can see the future  
Step into tomorrow  
I can see the future  
Journey to forever  
Movin' on  
And we're movin' on  
Movin' on  
And we're movin' on
