

Marrakech

Incognito

It`s close to midnight
Packed my bags and I`m leaving
Ride the night train
To where I know You`re gonna be waiting

And yesterday will fade like snow in the sunlight
Melt away from my memory
Through the darkness until I feel the light`s caress
I`m on my way to the streets of Marrakech

The room is crowded
I can feel my body heat rising
Above the voices
The echoes of a train approaching

A colorful parade like flames in the dark night
Leads the way to my fantasy
Through the darkness until I feel the light`s caress
I`m on my way to the streets of Marrakech

And yesterday will fade like snow in the sunlight
I`m on my way; yes I`m on my way
I`m on my way to the streets of Marrakech

Marrakech
The streets of Marrakech
Marrakech
The streets of Marrakech
