It`s close to midnight
Packed my bags and I`m leaving
Ride the night train
To where I know You`re gonna be waiting

And yesterday will fade like snow in the sunlight Melt away from my memory
Through the darkness until I feel the light`s caress
I`m on my way to the streets of Marrakech

The room is crowded
I can feel my body heat rising
Above the voices
The echoes of a train approaching

A colorful parade like flames in the dark night Leads the way to my fantasy Through the darkness until I feel the light`s caress I`m on my way to the streets of Marrakech

And yesterday will fade like snow in the sunlight I`m on my way; yes I`m on my way
I`m on my way to the streets of Marrakech

Marrakech The streets of Marrakech Marrakech The streets of Marrakech
