Pieces Of A Dream

Before you go I'd like to say You give me so much satisfaction Started up a chain reaction Tryin' to work out in my mind A way to let you know Oh darling

You're asking me to be strong But I can't see the wrong In what I'm doing Just want to hold you every day Locked inside this feeling I want you here to stay

(Holding)
'Cause I'm holding (I'm holding)
I'm holding on
To the pieces of a dream
Holding
I'm holding on (Still holding)
Still holding on
To the pieces of a dream

What can I do But to be true I'm getting such a strong sensation And it's not my imagination It's not me to pretend So try and understand Oh darling

My heart is chosen to belong And I don't see the wrong In what I'm feeling I know it's time to say goodbye But I'm not living in a lie I want you here to stay

(Holding)
'Cause I'm holding (I'm holding)
I'm holding on
To the pieces of a dream
Holding
I'm holding on (Still holding)
Still holding on
To the pieces of a dream

(Holding)
'Cause I'm holding (I'm holding)
I'm holding on
To the pieces of a dream
Holding
I'm holding on (Still holding)
Still holding on
To the pieces of a dream

Incognito

Oh, baby You're asking me to be strong But I still can't see the wrong In what I'm doing Just want to hold you every day Locked? inside this feeling I want you here to stay

(Holding)
'Cause I'm holding (I'm holding)
I'm holding on
To the pieces of a dream
Holding
I'm holding on (Still holding)
Still holding on
To the pieces of a dream

(Holding)
'Cause I'm holding (I'm holding)
I'm holding on
To the pieces of a dream
Holding
I'm holding on (Still holding)
Still holding on
To the pieces of a dream
