

## Anna Molly

Incubus

A cloud hangs over this city by the sea,  
I watch the ships pass and wonder if she might be,  
Out there and sober as a well for loneliness,  
Please do persist girl its time we met and made, a mess

I picture your face in the back of my eyes,  
A fire in the attic a proof of the prize,  
Anna-Molly, Anna-Molly, Anna-Molly...  
Doo doo doo doo do doo doo doo doo doo

A cloud hangs over,  
And mutes my happiness,  
A thousand ships couldn't sail me back from distress,  
Wish you were here,  
I'm a wounded satellite,  
I need you now put me back together make me right

I picture your face in the back of my eyes a fire in the attic  
a proof of the prize,  
Anna-Molly, Anna-Molly, Anna-Molly  
I'm calling your name up into the air  
Not one of the others could ever compare!  
Anna-Molly, Anna-Molly!

Wait there is a light,  
There is a fire illuminated attic,  
Fate or something better I could care less,  
Just stay with me a while,  
Wait there is a light, there is a fire defragmenting the attic,  
Fate or something better I could care less,  
Just stay with me a while

I picture your face in the back of my eyes a fire in the attic  
a proof of the prize,  
Anna-Molly, Anna-Molly, Anna-Molly,  
I'm calling your name up into the air.  
Not one of the others could ever compare!  
Anna-Molly, Anna-Molly!
