

Black Heart Inertia

Incubus

Walking alone tonight
'Cause I've only got room for two
Me and my burdened black heart
It's all we know how to do

Yet I look for a bigger bang
Than the kind I continually see
Sick of all this inertia
I want a human being

Lover, can you help me?
I'm a child lost in the woods
A black heart pollutes me
And I think

You're a mountain that I'd like to climb
Not to conquer, but to share in the view

Pulled by a false inertia
Pushed out by circumstance
Pistol firing at my feet
That's coercing me to dance

Yet I look for a bigger bang
Than the kind I'm sorry to know.
Here I am, first foot of the climb
Watch me go.

Lover, can you help me?
I'm a child lost in the woods
A lit path eludes me
And I think

You're a mountain that I'd like to climb
Not to conquer, but to share in the view
You're a bonfire and I'm gathered 'round you
Set this old black heart inertia aflame

Send it away (2x)

You're a mountain
That I'd like to climb
Not to conquer, but to share in the view
You're a bonfire
And I'm gathered 'round you
Set this old black heart inertia aflame

Set it aflame, send it away
